**IT'S NOT EVERYTHING, IT'S WHAT YOU NEED.**

First learn computer science and all the theory. Next develop a programming style. Then forget all that and just hack. (George Carrett) Most of you are familiar with the virtues of a programmer. There are three, of course: laziness, impatience, and hubris. (Larry Wall) True innovation often comes from the small startup who is lean enough to launch a market but lacks the heft to own it.

## HEADING - THE MAZUR PROGRAM, IT'S WHAT YOU NEED

### PARAGRAPH TEXT:

Video ads filmed and produced with The Mazur Program can increase familiarity and trust between your clinic and potential customers. If a potential customer sees multiple ads about your services, it helps them consider you a trusted service provider. Our video ads significantly increase your brand's exposure to your target audience using advanced targeting. Our ad campaigns can directly increase your sales by providing you with hundreds of fresh leads.
